\* The height of each model is based on the curb weight of a typically equipped unit on the standard chassis. The actual height of your vehicle may vary by as much as 2" depending on chassis or equipment variations.

† Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

\*\* Not all items available in combinations. See dealer for details. \*\* See your dealer for complete warranty documentation information.

Winnebago Industries' continuing program of product improvement makes specifications, equipment, model availability and prices subject to change without notice.
